

It's always a smart move to invest in yourself!

That's why a **Perpetual Membership** in the Scottish Rite is such a good idea. It announces to the world that your values have meant something and they will survive you. A Perpetual Membership truly is an *investment in forever*.

What is a Perpetual Membership?

A Perpetual Membership is a way of "pre-paying" your Scottish Rite dues for the rest of your life. When you purchase a Perpetual Membership, you have no more dues to pay--*ever!*

The money you pay for a Perpetual Membership is never spent. It's **endowed in a fund so that only the interest it earns is spent**. Each year, when you receive your dues notice, it shows that nothing is owed, and you get a current dues card automatically.

Even after your death, the money you invested in yourself will be preserved. You will always be a member of the Scottish Rite. Your belief in its outstanding teachings and overall goal that every person should have a right to be free, will live on and on. Your dues income will help new generations of men see the light of liberty. Masonry will live generation after generation. Your small investment now becomes a priceless gift into the future.

A Perpetual Membership is a good thing for the Scottish Rite!

Even more importantly, a Perpetual Membership is a good thing for you!

In fact, it saves you money. If dues increase in the future, *you are always "paid in full."* You never have to worry about a dues increase--*ever*. And, if some year in the future, things are a little rough for you financially, you won't have to worry about your dues; they are always paid!

New members may take advantage of an opportunity to purchase their Perpetual Membership for a limited time at a reduced amount. New members may purchase their PEM for \$925 within 6 months of joining the Guthrie Scottish Rite. The new member PEM must be paid in full during the 6 month period.
